XIII. VIRIN Creation

A. Portions of the information contained here has been extracted from the DoD Imagery and Caption Style Guide.

B. The format of a VIRIN is as follows: YYMMDD-S-NNNNA-XXX. Following is a description of each of the different VIRIN Fields:

1. Field 1 (YYMMDD): Date the entry was acquired or originated, in the year, month, and date format.

2. Field 2 (S): The service affiliation or status of the entrant. The abbreviations are:

A = Uniformed member or civilian employee of the Army

N = Uniformed member or civilian employee of the Navy

F = Uniformed member or civilian employee of the Air Force

M = Uniformed member or civilian employee of the Marine Corps

G = Uniformed member or civilian employee of the Coast Guard

3. Field 3 (NNNNA): Last four digits of the entrant's SSN and the first initial of the entrant's last name.

4. Field 4 (XXX): Unit number in sequential order for work created on the day specified in Field 1. Numbering should follow the approximate order in which each unit of media was acquired or originated by the entrant on the day specified in Field 1, starting with 001 and continuing consecutively as necessary up to 999. No two entries created on the same day should have the same values in this field.

XIV. Cover Stories

A. Portions of the information contained in this attachment has been extracted from the DoD Imagery and Caption Style Guide.

B. Cover Stories should be written as prescribed below:

1. Action. The first sentence of the caption describes the action in the photo, in the present tense, and states when and where the photo was taken. If a person is the subject, include full name, rank, and unit of assignment (do not include hometowns).

a. Who. The “who” description should include name, rank, and military unit or organization of identifiable individuals (do not include hometowns).

b. What. The “what” description should include the name and nomenclature of any weaponry or equipment; the name and hull designator of any ship; the name and designator of any aircraft or missile; and the unit name and designator of any unit shown. The description should also include any special field gear (such as backpacks, nuclear-biological-chemical protective suits, or utility belts) that people are wearing or carrying. If the subject is a building, facility, fort or site, then include the name and appropriate designator. If unable to obtain information by inquiry, then record the relevant nomenclature plates, logos, signs, flags or other identifiers.

c. When. The “when” description should include the date and also approximate time if this is relevant to understanding the content of the entry.

d. Where. The “where” description should include the geographic name of the place. If an aerial shot, the “where” should state: “aerial shot of [subject] over [what geographic place or area].” If shot at sea, the “where” should indicate the body of water and some indication of where (such as “on board the USS Kennedy 200 miles NE of Norfolk” or 55°N 100°W). If an interior shot, the “where” should indicate what the scene is the interior of (such as “interior of C-141 cockpit” or “room 2C147 of the Pentagon”).

e. How. The “how” description should include the significance of the actions, subjects, or events depicted unless it is otherwise obvious, i.e. how is the entry important? If the subjects are performing some action or activity, identify it.

f. Why. The “why” description should include the purpose of the operation or exercise that the entry documents.

2. Background. The second sentence of the caption gives background on the news event or describes why the entry is significant to the DoD. This usually gives the “big picture.” Whenever possible, try to keep captions to no more than two concise sentences, approximately 100-150 words, while including the relevant information.

3. For the purposes of this competition, **DO NOT** include a credit line or any other information that might identify the entrant. Further, do not repeat information gathered elsewhere in the IPTC header information, if used. **FAILURE TO ADHERE TO THIS POLICY MAY RESULT IN DISQUALIFICATION OF THE ENTRY.**

4. The following is an example of a proper caption for competition:

a. **MILVID:** Runners from all branches of the Armed Forces competed against each other at the Armed Forces Cross-Country Championship in Indianapolis, Indiana. The championship was held in conjunction with the U.S. Cross-Country Championship the week of February 18-22, 2004.

A. MILVID

1. COM - Combat Documentary
2. DOC - Documentary
3. EDI - Editing
4. FPR - Field Production
5. FEM - Feature Story
6. MVY - Military Videographer of the Year
